Futures Club 2009

APPLICATION

Thank you for investing in the future of our company. If you liked our earlier award-winning vintages, then now is the time to invest in our 2009 vintage at reduced rates. Your membership in this Club is an indication that you are looking forward to our next release. Our commitment to you is that we will do our best to craft award winning wines from the 2009 vintage. With a string of fine vintages behind us, we are tasting great potential in next year's wines. Washington State is once again showing us how good our wines can be.

Members of the Futures Club will be able to buy 2009 :Nota Bene Cellars wine for \$263.40 per case or \$21.95 per bottle.* This offer applies to all 2009 blends presented at our annual Release Party in Spring 2012. Payment for the wine is due at the time of membership application. 2009 wines will be available as a Futures purchase only through December 31, 2011. Current members will receive notice of when the 2009 wines will be available for purchase.

As thanks for your commitment in our future, we'd like to extend a 20% discount to any additional wine purchased during your membership period. Futures Club members will also enjoy free tasting at SSAW Open House events. These benefits are only available to Futures Club members from the date of their payment to the date of our annual Release Party.
