Founders Club 2G

APPLICATION

We are proud to present this next step in serving :Nota Bene Cellars wines to you, the wine lover, at the best possible price. This offer extends our famous Founders' Club to those of you who were so generous to join us in releasing our first wines back in 2004, and to those who have come to know us since. The original Founders' Club offer ended in 2008 after an acclaimed five years. With our Founders' Club Second Generation, we are making an offer available to even more members, on a limited basis.

Members of the Founders' Club Second Generation will receive, for each \$750 unit, one case of :Nota Bene Cellars wine released at our annual Release Party each year for three years, beginning with the 2006 vintage release in 2009, and continuing through the 2007 and 2008 vintage releases in subsequent years. Each Founders' Club Second Generation member will have the right to choose the wines that comprise his or her case after tasting at our Release Party. In addition to receiving one case per year, members of the Founders' Club Second Generation will receive 20% off retail prices on any additional purchases of wine for the three years of this membership.

Availability of memberships in this club will be limited and at the discretion of the owners. Sales tax will be applied as required per state laws and for wines shipped directly to your home.
