# Founders Club 3G

## APPLICATION

We are proud to present this next step in serving :Nota Bene Cellars wines to you, the wine lover, at the best possible price. Our famous Founders and Founders Club 2G continue now with our Founders Club 3G, allowing those of you who were so generous to join us in releasing our first wines back in 2004, and those who placed your faith in us in 2008, to invest in the next stage of the life of :Nota Bene Cellars. With our Founders' Club 3rd Generation, we are making an offer available to even more members on a limited basis.

Members of the Founders' Club Third Generation will receive, for each \$725 unit, one case of :Nota Bene Cellars wine released at our annual Release Party each year for three years, beginning with the 2009 vintage release in 2012, and continuing through the 2010 and 2011 vintage releases in subsequent years. Each Founders' Club Third Generation member will have the right to choose the wines that comprise his or her case after tasting at our Release Party. In addition to receiving one case per year, members of the Founders' Club Third Generation will receive 20% off retail prices on any additional purchases of wine for the three years of this membership.

Availability of memberships in this club will be limited and at the discretion of the owners. Sales tax will be applied as required per state laws and for wines shipped directly to your home.
